

# Hurricane & Wind Damage Checklist

Document the storm's effects before repairs hide the evidence.

---

- 01.** Photograph elevations, roof, openings, and interior water paths as soon as it is safe.
  - 02.** Note the date/time of loss and when damage was discovered.
  - 03.** Keep temporary tarp / board-up invoices and contractor names.
  - 04.** Save every carrier letter, claim number, and adjuster contact.
  - 05.** List rooms with wet materials, ceilings, and contents separately.
  - 06.** Do not discard damaged materials until photographed and inventoried.
  - 07.** Gather the full policy jacket and declarations (not just the dec page).
  - 08.** Call AF Claims for a free review before you accept a quick low offer.
